Rotary Christmas Party—2016

Kelley welcomes us as we arrive at the renowned Hwy 12 Diner for an evening of holiday cheer and delicious food. Chef Howard Lamothe and crew do a remarkable job of serving us dinner. Following our meal, Kelley entertains us, reading from a book written by past R. I. president and humorist Cliff Dochterman. Cliff suggests that we celebrate the holiday generosity of spirit and good will toward everyone all year long.

Your roving reporter now presents photos of our members and guests as they dine and reminisce throughout the evening.

We could use more members

Looks like we have about 34 active members who attend meetings regularly. We must pay for a minimum 30 breakfasts each time we meet, even if less than 30 people eat. For that reason alone, it makes sense to recruit more members.

Please consider bringing a guest to breakfast and introduce him/her to Rotary. We could use a shot of young blood to bring a fresh outlook to our activities.

Meanwhile, I hope y'all have a great holiday season with family and loved ones.

There's still one more meeting, this Friday before the year is over. Happy New Year!

Bob
