Rain dampened the enthusiasm of neither the Rotarians nor the horses, as the races went off without a hitch at the fabulous Golden Gate Fields. Although the clouds obscured the magnificent view of the Golden Gate from the men's room, Rotarians throughout District 5160 were all vying to strike it rich as they admired the display of impressive horsepower.

Clockwise from above left: horses leave gates at start of third race; Molly gets close up and personal with special guests who, unbeknownst to Pres. Kelley, were in attendance; and 5 complicit Rotarians gather for photo op on paddock following third race, which was dedicated to Rio Vista Rotary.

Our club will not meet, next week, so have a very Happy Thanksgiving!
