Program

Gary introduces Denise Stanley, a spokesperson for Oak Ridge Winery (ORW) in Lodi. Gary says that between Lira's and Oak Ridge's contributions to our annual golf tournament we've probably raised about \$15,000 for charitable causes.

Denise, who describes herself as a marketing specialist, gives us a brief history of the winery, which was founded in 1934 and was issued the first tasting room license in the area. She says the tasting room is open from 10:00—5:00 daily.

Currently the operation is adding 15 large new tanks to their capacity. They grow over 10,000 acres of vines. They pride themselves on their OVZ (Old Vine Zinfandel) and it is available in huge bottles. Denise gave us a couple of really large bottles & about a dozen normal sized ones.

Denise Stanley

With 250,000 cases per year, ORW is the largest Zin producer in the world. They use 30% of the Zinfandel that they grow. A lot goes to Napa wineries. We raffled off some bottles, with Jim Mac paying \$140 and Hector paying \$200 for the giant, economy(?) sizes.

50/50 raffle

Kelley's ticket wins; her marble does not.
